Thanks Mark. Jen's group seems pretty pinched with the COVID impacts. I have another issue with VBI70 that they are saying won't happen for 3-4 months because of resource impacts with COVID. I'm looking to set up a meeting with

Ex. 5 Deliberative Process (DP)

I can provide more info if you are interested.

Talked with Opila. Previewed the meeting next week and our asks. She is briefing Putnam this afternoon and will let me know if they have any concerns. Initially, she didn't seem concerned about any of our asks. She did say that due to COVID they won't be able to task their Tox folks to do any sort of analysis, so it is a good thing we have already received a response from ATSDR on our side.
